Penmaenmawr Town Council is trying to recruit residents to form a 'Speedwatch' team. Working with the police, the Council aims to provide a team, trained in the use of speed guns who will identify persistent offenders for the police to follow up.
Mayor, Myfanwy Baines (above), said : "Many thanks to those who have already volunteered to help with this project. We need more volunteers however for the Speeding Partnership to register us as a team and provide training. Please contact the clerk on **clerk@penmaenmawr.org or 01492 632221** if you are willing to give a little of you time to help combat the menace of speeding traffic through our community."
